MISSION STATEMENT

The Lincoln Jets provide a rewarding, challenging, and above all, a fun environment for athletes of all ages and abilities to participate in Track & Field. The Lincoln Jets offer qualified coaches to teach proper technique from beginning to elite athletes, in a safe, controlled environment.

WHO ARE THE LINCOLN JETS

The Lincoln Jets Track Club, Inc. is a non-profit organization established in 2002 to provide Lincoln area youth with a program and instruction that promote enthusiasm and develops skills in track and field. Participants will be able to attend local, state, and national track meets which will provide competition, experience and fun needed for obtaining individual and team goals. The Jets also offers a non-competitive program that will provide each athlete instruction and the fun that will encourage participation as a competitor later in that athlete's career. The Jets are a member of the USA Track & Field (USATF) Nebraska Association, which includes all 93 counties of Nebraska. Iowa athletes living in counties that border Nebraska may also compete for Nebraska Association clubs.

WHAT IS USATF

Nearly 100,000 Americans are members of USATF. USATF organizations include the U.S. Olympic Committee, NCAA, NAIA, Road Runners Club of America, Running USA and the National Federation of State High School Associations. Fifty-six USATF associations oversee the sport and its 2,500 clubs at the local level. The Nebraska association has 43 active clubs and over 1,000 athletes. With the expected growth, the Lincoln Jets would like to become one of the largest groups within the Nebraska association.

WHERE PRACTICES ARE HELD

All the Jets practices are at East High School. East High School is at 70th and A on the East side. The track is to the east of the school and north of the Tennis courts

WHAT AGES COMPETE

We recommend ages 7 and above. The sub-bantam division is the lowest division and that includes 7-8 year olds. High school athletes may not participate in our practices or compete in our meets until their school season is over, either after their state or district meet. Junior high and middle school athletes may participate in our practices and compete in our meets.

WHAT IS AGE GROUP TRACK

Age group track is just as the name implies: track & field competition based on an athlete's age in the current calendar year. The age group divisions for competition in 2006 are as follows:

Young Men/Women (YM/YW) - born in 1993 or 1994, or in 1992 on or before August 1

Intermediate Boys/Girls (IB/IG) - born in 1995 or 1996
